Camp Starlight

Position Type: Summer Internship
ID#: 137078
Preferred Class: Freshman or higher
Preferred Majors: All Majors
Job Function: Other
Location: Starlight, PA
Description: For the experience of a lifetime and more fun than you can ever imagine...

We are a co-ed sleep-away camp in Northeast Pennsylvania (2 1/2 hours from NYC). We have over 560 campers; boys and girls age 7-15 years old. We are currently hiring a Video Production Specialist to live and work at camp. We have a very specific format we follow every summer for the yearbook so this person must be willing to watch previous videos and shoot and edit accordingly.

Some of the job duties are:
• Responsible for the production of the Camp's 50-minute Video Yearbook, including shooting.
• Logging footage and video/sound editing (done on Screen Play Applied Magic equipment and Final Cut Pro).
• Late night logging and editing.
• On the last night of camp, a preview of the Yearbook (approx. 20 minutes) will need to be completed to show to camp.
• The finished Video Yearbook needs to be completed upon departure from camp. Full payment of contract and a bonus will be made at that time.
• Shooting of all Theatre Productions (Five shows).
• Will also have five "special" short video projects over the course of the summer (i.e. videotaping a piece for the "Week in Review").

Duration: Unspecified
Hours per Week: Unspecified
Compensation: Salary
Qualifications: This job requires a very active and enthusiastic person because you will be shooting from early morning until after 9pm most nights.
• Must have knowledge of Mac software, Imovie, Video Camera, Storyboards and Scripts.
• Must be able to work with children (7-15 years old) in a video setting.
Application deadline: May 25, 2016
