Immerse yourself in Australian culture and history this winter as you explore the literature, theater, music, and arts of Indigenous and contemporary Australia. We will look back to the colonial founding of Australia as a British outpost and consider how modern Australia has emerged from a mixing of western and Indigenous cultures

The class will begin with a two-week stay in Sydney, Australia's sparkling harbor city, and conclude with a visit to tropical Cairns, in Queensland, the launching-point for exploring the Great Barrier Reef, one of the natural wonders of the world.
